

Industrial dust suction hose, PE, Antistatic

Product group	140
Bundled pipes/hoses	1
Flat coil	
Antistatic wire	
Max temperature (°C)	70
Min temperature (°C)	-30

A flexible hose, with electrical conductor qualities, suitable when there is a risk of a dust explosion. Suitable for hand tools and industrial vacuum cleaners. Cold resistant.

	Working pressure (MPa)	ID (mm)	Vacuum pr. Max%	Length meter per coil	OD (mm)	Bend radius (mm)	Weight (kg)
