

GNEISS, SANITATION SUCTION HOSE, SUCTION AND PRESSURE

Product group	140
Bundled pipes/hoses	1
Flat coil	
Antistatic wire	
Max temperature (°C)	80
Reinforcement layers	1
Min temperature (°C)	-40

Suction and pressure hose for transportation of abrasive materials e.g. concrete, sand, gravel and cuttings. The hose is very suitable as a cutting hose where there is a need for flexibility and durable hoses with suction and pressure.

	Working pressure (MPa)	Vacuum pr. Max%	ID (mm)	Length meter per coil	OD (mm)	Bend radius (mm)	Weight (kg)
15672048	0.5	90	76	40	96	200	3
15672064	0.5	90	102	40	122	290	4.28
15672080	0.5	90	127	20	147	350	5.45
15672096	0.5	90	152	20	173	600	7.36
